

Fundraising for Save the Children

Journalism Student Serina Yamazaki - Volunteer fundraiser for 'Save the Children'.

As a result of previous fundraising publicity Serina was invited to give a talk to Gainsborough Men's Society. Serina talked about her life in Japan and of the cultural differences between our societies. A demonstration of Japanese writing and paper folding was also given and in total £40 was received in donations for 'Save the Children'. Serina, who has been an active volunteer throughout her time in Lincoln, said of her experience, *"It was good fun! I counted the donations I got and it was £40, it was the biggest amount I've had in such a short time."*
